

NAPA GREEN WINERY CERTIFICATION FEES

LICENSING FEES (annual)

<25,000 gallons:	\$550
>25,000-60,000 gallons:	\$1000
>60,000-120,000 gallons:	\$1450
>120,000-240,000 gallons:	\$2000
>240,000-600,000 gallons:	\$2550
>600,000-1,780,000 gallons:	\$3200
>1,780,000 gallons:	\$3850

Soil to Bottle Certification Discount: Members certified or transitioning to Napa Green Vineyard certification will receive a 5% discount on winery licensing fees

Multi-Property Discount: Members who own more than one Napa Green certified property will receive a stair-stepped 3% discount on licensing fees for each additional winery that is certified. This will apply to the fees for all wineries.

Integrated Resource Assessment: At the start of certification and again every three years there is an additional fee for the **Resource Assessment** which identifies efficiency and cost-savings opportunities.

Third-Party Audit: ~\$125/hour (apx 4 - 7 hours)

EXAMPLE COSTS FOR 25,000 CASE WINERY:

Initial Certification: \$1350 Integrated Resource Audit + \$500 Third-Party Audit = \$1850

Start of Year II: \$1000 Licensing Fee

Start of Year III: \$1000 Licensing Fee

Start of Year IV: \$1000 Licensing Fee + \$750 Abbreviated Resource Audit + \$375 Third-Party Audit = \$2125
