WINE SHIELD™
PROTECT YOUR BRAND

WS03LDBX with WS03LD Set-Up Instructions 3 x 750ml WineShield™

3 x 750ml WineShield™

1 - Fold insert at inner score.
2 - Use thumb to pop open insert.
3 - Push 3 diagonal flaps into place.

Insert neck of bottles into small hole & push bottle down and back, pushing fingers towards bottom of bottle.

Place insert in box so that bottles are perpendicular to inner seam of box.

Place pad on top of bottles to prevent damage.
